### **October Meeting**

Wow, have you looked at your voter information guide? Have you noticed how much editorial space the Times is spending discussing the ballot issues? We have a lot of reading and thinking to do before the election, but fortunately, help is on the way.

Cosponsored by the Clayton Community Library, and our branch, the League of Women Voters will give one of their excellent presentations on the pros and cons of the Ballot Propositions at our next meeting.

It will be held in the **Library** meeting room, on **October 25, at 7:30 P.M.** The meeting is open to the public, so bring friends and neighbors.

### **Directory 2004-2005**

This year we will be presenting each member with a directory listing all members. Please send your changes from last year's listing to Ro-seann Krane at rkrane@yahoo.com by October 18. Include your first and last name, street, city, and zip, telephone number and email address. Also state your University, degree, area, and year graduated. The directory will be given out at the October general meeting.
